

Name of Group: Results Accountability

Responsibility of Group:

- Serve as a clearinghouse for national, state and regional data using existing data bases and publications to assure consistency in demographic and indicator data.
- Serve as a clearinghouse for consistent definitions of result and performance measures.
- Serve in a consultative capacity to provide feedback on proposed results indicators and service, product, activity performance measures, including definitions, collection methods and reporting formats.

Current Activities:

See future plans

Past Accomplishments:

- The work group developed a set of result and goal indicators for inclusion in the ECI strategic plan. The working documents included input from the ECI, community empowerment sources, the SECCE agency liaison group, Kids Count data and Results Iowa data.
- Reviewed and recommended updated state-wide indicators to the Iowa Empowerment Board (Adopted September 9, 2005)

Future Plans:

Workgroup members will be taking on assignments to write up the definitions for the indicators and goal measures, including the data used for the numerators and denominators. Also, included in this documentation, an explanation will be provided as to why a particular indicator or goal measure was selected.
